Key Stage 2 SATS 2019 Results

The table below highlights our Year 6 SATS. The format for assessing pupils at the end of KS 2 changed from 2016. Our children were assessed under the curriculum which came into force in 2014, this is a more challenging curriculum from previous years.

The children were assessed 'without levels'. Instead, children undertook tests in Reading, Maths and Spelling, Punctuation & Grammar and were given a scaled score, which confirmed whether or not they had 'met the expected standard'.

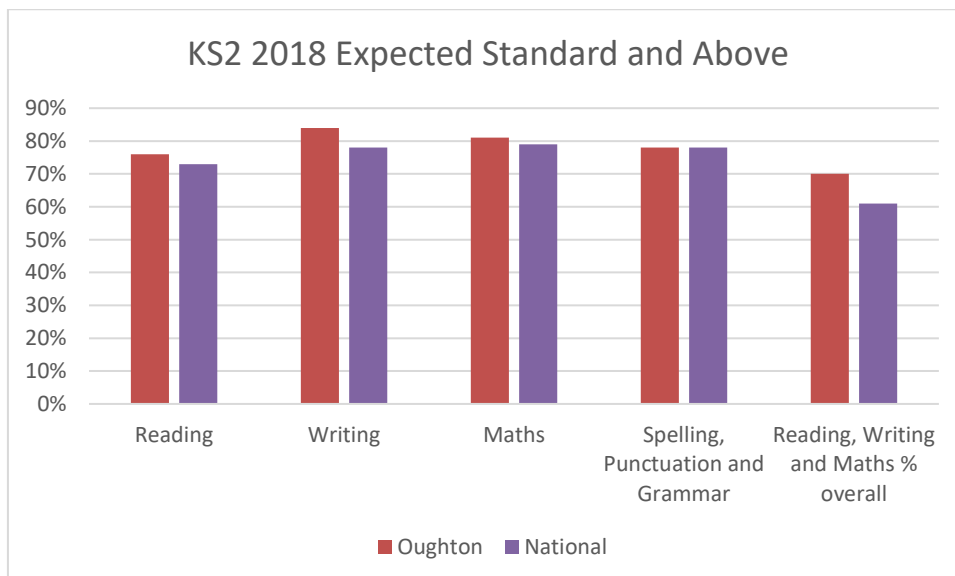

A scaled score of 100 or greater was the expected standard and a score of 110 or greater demonstrated that they had achieved a 'high level of attainment'. Progress was calculated using the children's Average Point Scales overall in Reading, Writing and Maths from KS 1.

Please note: These are provisional results – unvalidated at present.
