Autism Voice Hertfordshire

The Specialist Advisory Team offers autism-specific training, Hertfordshire Autism Training (HAT), to schools and colleges in Hertfordshire. We are seeking to develop further, the way in which we include the views of children and young people in this, in a way that is accessible to them, to inform and further develop our autism training. We wish to include the videos, voices and views of the children and young people to ensure that their views are shared with schools and settings through the training offer.

Who?

Children and young people (aged 5+) with a medical diagnosis of autism and who are aware of this.

What?

Choose only the questions below your child wants to answer. Please adapt and change any question to make it more relevant and accessible for your child.

Where?

Anywhere that your child feels comfortable to answer the questions at their own pace.

When?

Please return your child's contributions, with the signed consent forms to:
autism.voice@hertfordshire.gov.uk

Why?

Gaining the views of children and young people is the most important part of our training as it enables us to focus on ensuring schools in Hertfordshire understand their views, experiences, needs and wishes.

How?

Please use whichever communication preference/style works for your child e.g., video, voice recordings, symbols, signing etc.

Options to consider:

1. Answer the questions via video
2. Answer the questions via voice recording
3. Answer the questions in writing, email, or drawing
4. 5 words about autism using the QR code below
5. A mixture of all the above!

As the questions below are aimed at school age children from 5 to 18 with autism, we are aware there will be varying communication preferences and styles. Please feel free to adapt and rephrase the questions to ensure they're relevant and accessible for your child.

The Questions

- What is your name? How old are you?
- Please tell us about yourself. What are your interests?
- Do you prefer people to say that you have autism or that you are autistic?
- What is autism?
- What is it like having autism/being autistic?
- Do you tell people you have autism? Why?
- What helps you in school?
- What would you like teachers and school staff to know about autism?

Scan the QR code below to enter your 5 words about autism:

Would you like to support us further by answering questions on specific topics?

If so tick/highlight the topics below:

- *Communication and Interaction & social communication*
- *Emotional Regulation – sensory, interests, structure and routines, behaviour*
- *Transactional Supports – support and strategies*
- *Mental health*
- *Girls*
- *Sensory*
- *Hobbies/special interests*

Production and Presentation of media for use within Hertfordshire Autism Training

Why we need your information

Hertfordshire County Council invites you and/ your child(ren) to take part in the production of 'pupil voice' media for use within the Hertfordshire Autism Training package. The use of films, videos, soundbites and photographic images will be used in schools within Hertfordshire to raise awareness and understanding of autism. As part of the process, you and/or your child are asked to talk or share visually, their views and experiences in relation to autism.

This information is being gathered and will be processed on the basis that you as parent/s of _____ are giving explicit consent for us to share the use of this media. And that your child has given informed consent for this media to be shared.

If you wish to withdraw consent at any time you can do so by contacting us at autism.voice@hertfordshire.gov.uk

What we will do with your information

The information you give us will be held by the SENDSAS Speech language and Autism Team and will only be used for the purposes identified above.

The film will only be viewed by individuals employed within schools in Hertfordshire and will be kept securely on HCC laptops and IT equipment.

How long we will keep your information

We estimate that the films will be in use for a period of 5 years from when you take part. We may contact you before the end of the 5 year period to ask you if you content for us to continue to use the film as part of our schools Hertfordshire Autism Training package.

What are your rights?

Hertfordshire County Council will be the Data Controller for your information.

You have the following rights in relation to this data:

- You have the right to be informed about what information we hold about you and how we use it.
- You have the right to request copies of any information the Council holds about you by making a subject access request.
- If information we hold about you is factually inaccurate you have the right to have it corrected.
- You have the right to object to the way we are using your data.
- You have the right to request that your data is deleted. However, we may be unable to delete your data if there is a need for us to keep it. In this case you will receive an explanation of why we need to keep the data.
- You can also request that we stop using your data while we consider a request to have it

corrected or deleted. There may be some circumstances in which we are unable to do this however we will provide an explanation if this is the case.

- In certain circumstances you may also request data we hold about you in a format that allows it to be transferred to another organisation.
- In the event that decisions are taken using automated processes you have the right to request that these decisions are reviewed by a member of staff and to challenge these decisions.

If you would like to request copies of your data, request that your data is deleted or have any other queries in relation to data which the Council holds about you please contact the Data Protection Team.

ECHP – Notice for Parents	<p>The Hertfordshire SEND partnership are committed to improving the quality of EHCP’s for children and young people in Hertfordshire; ensuring plans are of high quality and meaningfully capture children and young people’s: views, experiences, needs and outcomes, and specify provision.</p> <p>To support with achieving this aim, there will be regular multi-agency audits of EHCP’s. These multi-agency audits involve professionals from education (school representatives, specialist advisory teachers, educational psychologists and members of the statutory SEND service), health, social care, SENDIASS and the Herts Parent Carer Involvement coming together to audit the quality of a random selection of EHCP’s. Professionals then work together to identify areas of good practice and areas where learning is required. These events are crucial for supporting improvements in practice across the system.</p> <p>This may therefore mean that your child’s plan could be selected for audit and shared with the above professionals for auditing purposes.</p> <p>All professionals involved in multi-agency audits of EHCPs are required to comply with Data Protection legislation and confidentiality duties, which restrict the sharing of information pertaining to your child's EHCP outside of the auditing activity.</p> <p>If you wish to opt out and do not wish for your child's EHCP to be included in our quality assurance audits, please email the Quality Assurance Service at: policyandpractice@hertfordshire.gov.uk</p>
