

Oughton Primary and Nursery School

Year Group 3
Mr Lewis

Year 2022
Term 2
Spring

Your Child's next topic will be

Topic – Why do some earthquakes cause more damage than others?

Science – 'Rocks'

English – Traditional Tales, Explanation Writing and Poetry

Maths – All areas of Maths will be covered this term. Number work, place value and measurement in particular.

During this term, your child will learn about:

Topic

Our topic will be Geography based for the term. We will be looking at what causes earthquakes and the effects they have on the environment and people's lives.

Science

We will be learning about the different types of rocks and their uses.

Music

We shall be exploring and developing playing skills through the glockenspiel.

Art

We shall be exploring volcano painting.

DT

We shall be exploring the construction of simple leavers.

French

'All About Me'

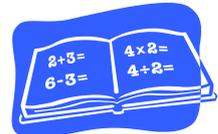

The children will concentrate on:

English

We will be comparing well known fairy stories, then creating our own story with an alternative ending. Additionally, we will be writing explanation texts, then reading and writing our own poetry.

Maths

We will be focusing mainly on number work and using all four operations correctly. The class will also be working on time, measurement and fractions during the term.

Other experiences:

January - Year 3 Let's Celebrate via website

20th January – Science Day

7th – 11th February - Feel Good Week

9th/10th February – Parent Consultations

14th – 18th February – Half Term

21st – 25th February – Healthy Week

3rd March – World Book Day

23rd March - DT Wow Day

4th – 18th April – Easter Holidays

19th April – Children return to school

Ways to help your children are:

To ensure they read every day and sign their home contact book.

To practise times tables: x4 x6 x8

To help complete Learning Logs every fortnight via 'Teams'.

Our P.E. lessons are on Tuesdays and Wednesdays. Please ensure your child has their PE kit in school.
