

Active and Safer Travel Our Plan for 2018

Modeshift Stars

- ▶ This year, as part of our School Improvement Plan, we are focusing on developing safer and sustainable travel. We have signed up to Modeshift Stars—an accreditation scheme that rewards schools for their efforts to improve travel.
- ▶ Our aims are as follows:
 - ▶ To educate pupils in road safety skills.
 - ▶ To encourage safe and considerate use of the school grounds and surrounding area.
 - ▶ To develop more sustainable and less polluting methods of travel.
 - ▶ To get children and families more active.

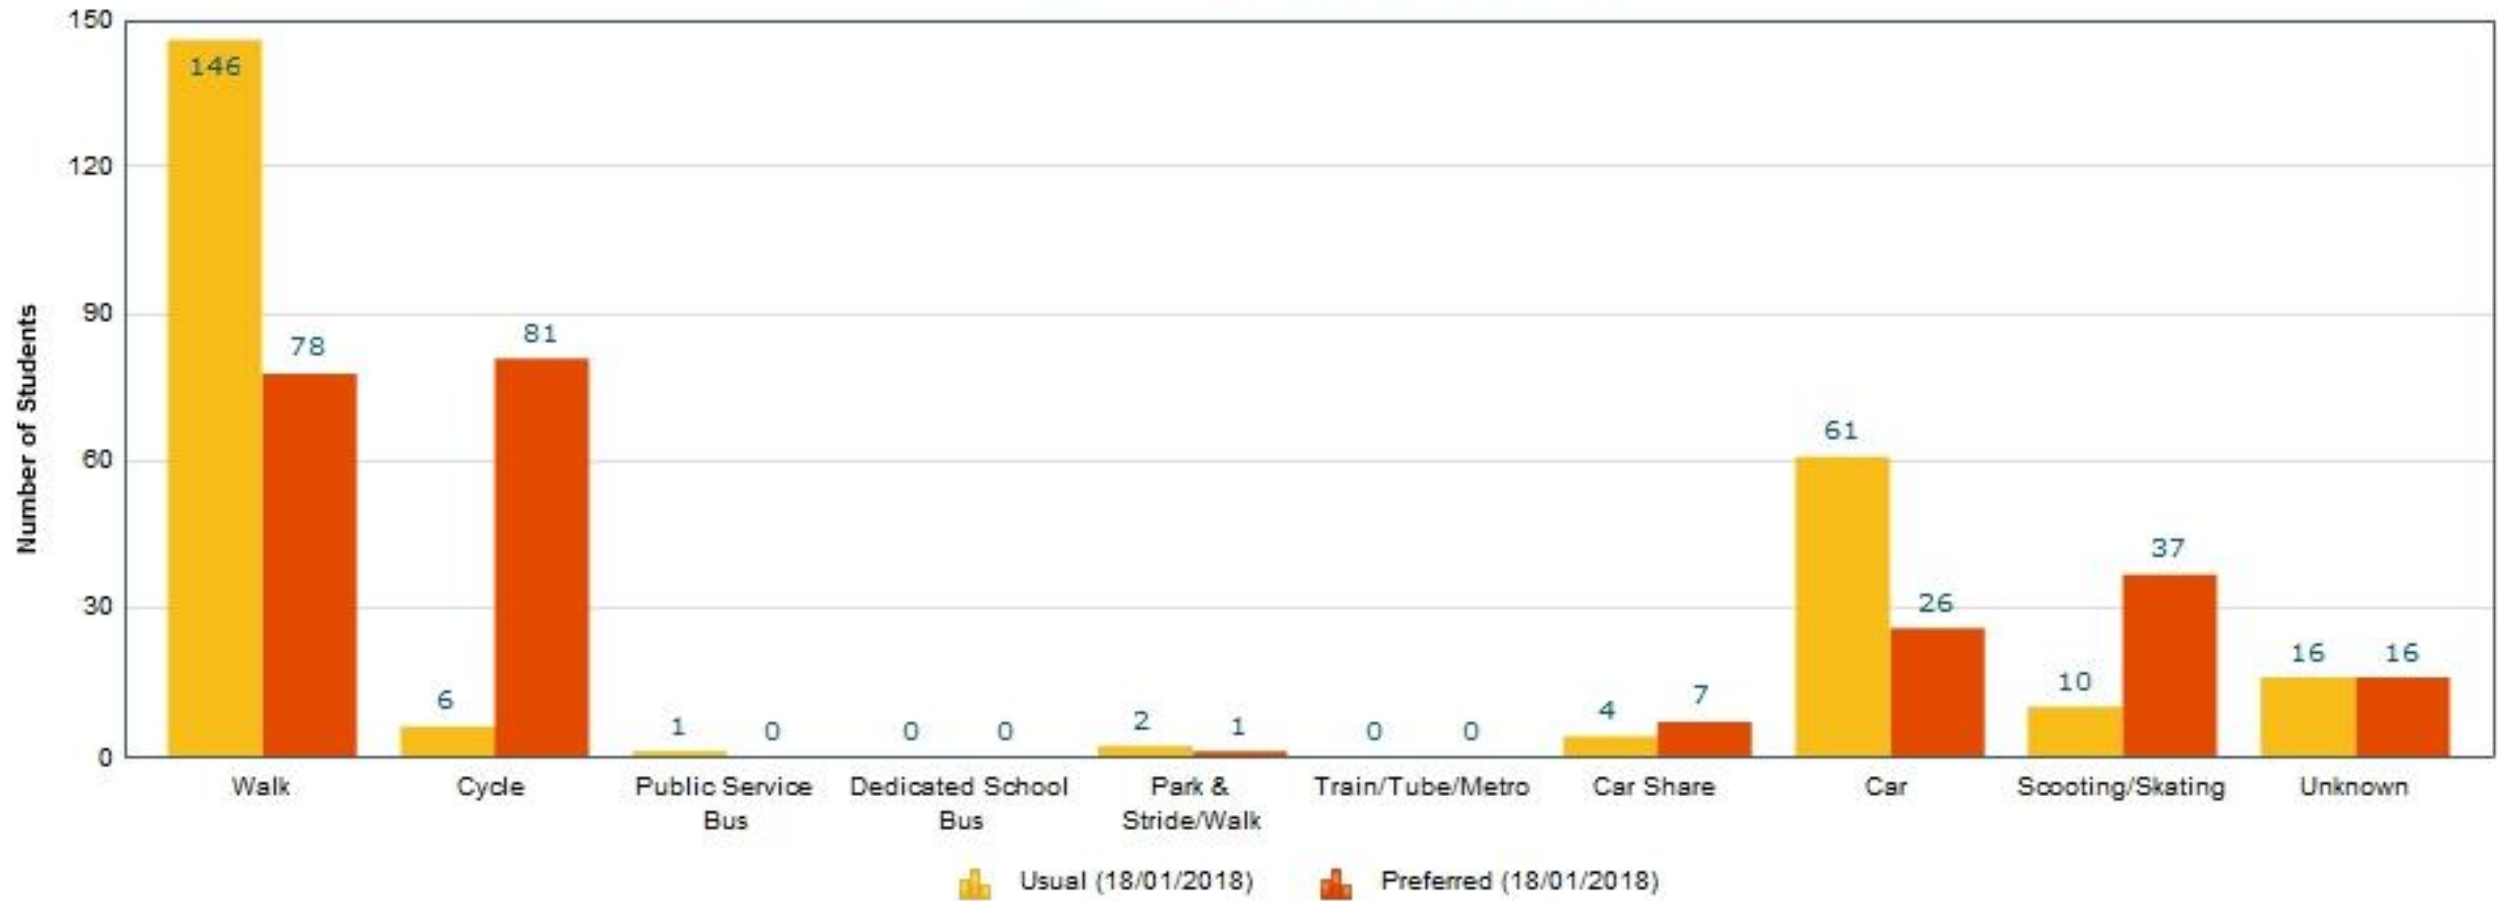

What we have done so far

- ▶ School Council have met to discuss the scheme and are collecting ideas from their classes.
- ▶ Pupils have undertaken a site audit with the help of Mrs Banton.
- ▶ Every class and member of staff has participated in a survey.
- ▶ Road safety workshops have been booked.
- ▶ We have learnt in assembly about how to 'Be Bright and Be Seen' on the roads at darker times of the year.

Hands Up Survey Results 2017 / 2018

We can see that more children would like to cycle and scooter to school so we will be working hard to try and help make this happen!

What next?

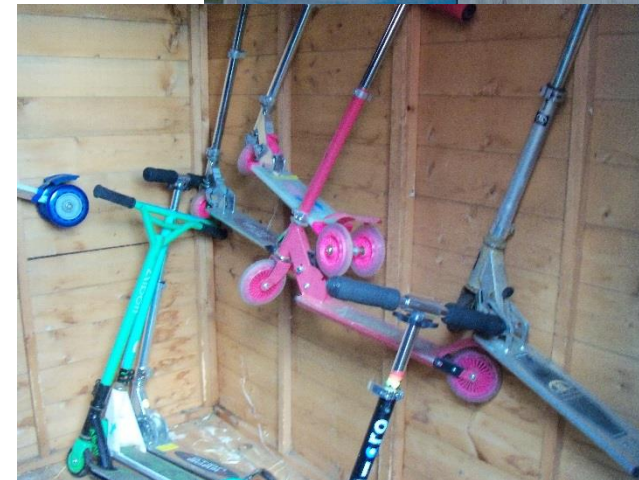

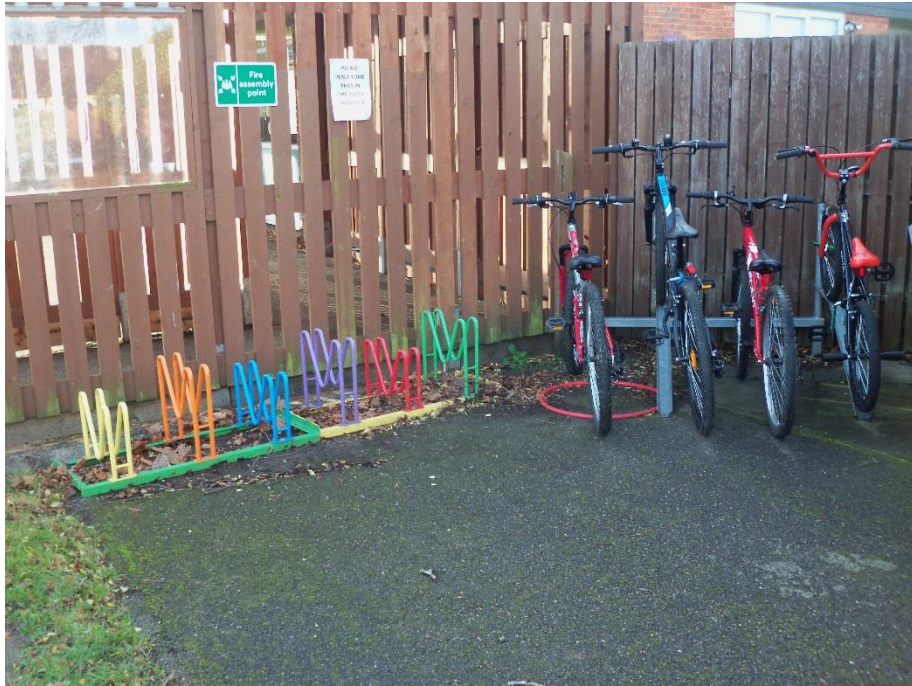

- ▶ Y4 pedestrian skills training—coming soon
- ▶ EYFS Road Safety workshop—8th March
- ▶ Y2/3 Scooter Workshop—18th April
- ▶ Walk to School Week in May
- ▶ Clean Air Day in June
- ▶ Y6 phone distractions workshop—6th June
- ▶ Promoting healthy ways to travel: walking, cycling, scootering
- ▶ A poster competition - look out for our flyer!

How can you help?

- ▶ Get active, get healthy!
- ▶ Encourage your child to cycle, walk or scoot to school. Save fuel and get fit!
- ▶ We have scooter and bike storage.
- ▶ Share any comments, suggestions or ideas with your child's teacher.

Cycle or scoot - we have storage

- ▶ Cycle racks near the front entrance
- ▶ Scooter shed near KS2 playground
- ▶ Scooter rack near Breakfast Club
