

SILVER BIRCH 3D DESIGN

SUMMER TERM

Welcome to the summer Term!

I hope you are all well and have had as good a break as is possible under the circumstances?

This term, I would like to focus on building your skills and knowledge, we are going to focus on

"3D ME"

I will ensure that each lesson will provide some options that you can choose from so that everyone can access the task, whatever materials you have at home.

MRS SMITH

3D ME

LESSON 1: WHO AM I?

In this lesson you will begin to explore how you can create work that represents you and your identity through facial features.

Before you start, write down **10 things** about you and your identity. They could be anything; hobbies, likes, dislikes, physical traits, roles, attitudes, personality traits...here are mine... (who do you think it is?)

TEACHER, MUM, TALL, ARTY, ANIMAL PRINT, CRAFTIER, TEA DRINKER,
READER, LOVER OF WORDS, LOVES CURRIES.

LESSON 1: WHO AM I?

For the main task this week, I want you to start to record ideas that relate to you and your identity. Choose **one** of the following tasks. Each one will have a slide that follows to support you further:

Choice 1: Eye Collage
identity

Or

Choice 2: Close up eye/ words

Or

Choice 3: Mindmap of your

CHOICE 1: EYE COLLAGE

USE A RANGE OF PAPER MATERIALS TO CREATE A COLLAGE OF AN EYE

WHO AM EYE?

Steps/ Options:

1. Start by sketching out an eye shape, or printing off a large picture of an eye that you can work on top of. You could do your own eye if you wish.
2. Tear or cut magazine, newspapers, wrapping paper etc.
3. You could include words from newspapers/ internet that relate to you identity (this might be hard to find, but could work well)
4. Stick collage down. You might want to use paint or pen to define details if you want them to stand out more.

CHOICE 1: CLOSE UP EYE OF WORDS

WHO AM
EYE?

USE A PEN OR PENCIL TO CREATE A CLOSE UP SECTION OF AN EYE OUT OF YOUR IDENTITY WORDS

Steps/ Options:

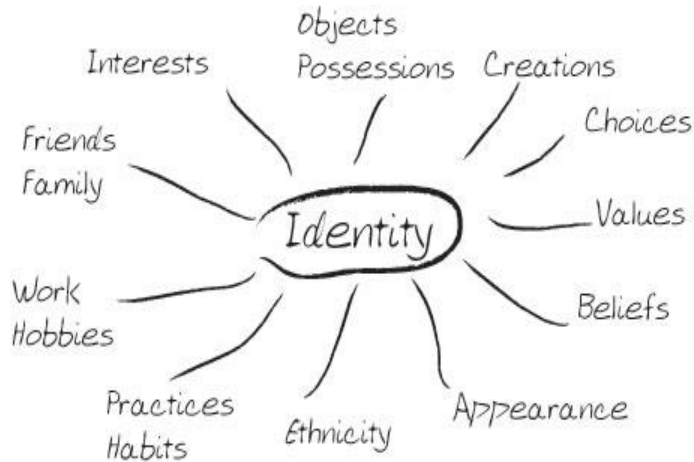

1. Sketch out a close up section of an eye (Iris, pupil, highlight). You could print off a black and white image of one (very lightly) which you can write on top of.
2. Use a blue or black pen to add lots of identity words in different shapes and sizes and going in different directions.
3. Overlap the words so some areas are darker and some are lighter- this will achieve tones.

CHOICE 1: IDENTITY MINDMAP

WHO AM I? EYE?

CREATE AN IDENTITY MIND MAP

Steps/ Options:

1. Write 'My Identity' in the middle (handwritten or digital)
2. Write as many words as you can think of that relate to who you are as an individual. Sometimes this is hard, so you could ask family members to help.
3. Start with basics like eye colour, likes, dislikes etc.
4. Go into more detail, if you have said you like music, add what sort, name of a band/ musician, if you play sport, which one? Etc.
5. You could add images or even just use images.

LESSON 1: WHO AM EYE?

- If you would like any more advice, please ask via school email
- **GOOD LUCK!**

PS. We will be drawing and making more eyes next, so start collecting images/ materials that you might be useful...
