

Oughton Primary and Nursery School

Year 4
Miss Daniels

Year 2021
Term 1
Autumn

Your Child's next topic will be

Topic – 'Settling down' and 'Beyond the Magic Kingdom'

Science – 'Living things and their habitats'

English – Myths, report writing and poetry

Maths – All areas of maths will be covered this term. Number work, place value and calculations in particular.

During this term, your child will learn about:

Topic

Our topic will begin by focusing on Beyond the Magical Kingdom, this is a Geography topic where we will carry out a study of Florida and develop our map skills. Our second topic, the Anglo Saxons looks at the areas that they settled. We will look at historical sources to infer how they lived.

Science

We will be learning about how plants and animals live in their environments. We will learn about grouping and reading keys. We will investigate habitats local to us.

The children will concentrate on:

English

We will be reading a range of myths from a variety of countries. We will use our imagination to create our own characters and own myths. We will also look at report writing through our topic work. Finally, we will be reading a range of different poems and writing some of our own.

Maths

We will be focusing mainly on number work using even larger numbers. We will develop our calculation skills and use these to solve problems in every day contexts such as time and money. We will be working on the target of your child learning their times tables up to 12x12. Please help your child at home reach this target.
