

Impacted by Covid-19? Furloughed, made redundant, had a significant reduction in your working hours?

A self-referral provision to provide some financial help to buy food.

Through grants, funding and donations we can provide some financial help to you and your family. We have an emergency fund to help families and individuals buy food with a supermarket e-voucher.

It is simple to apply:

Send an email to foodprovision-hitchin@wilshere.herts.sch.uk and request a **self-referral form**. You can download the form from www.hitchinpartnership.org.uk. The form asks for a few essential details; we can call you back if you need any assistance.

We do have some criteria:

- Living in Hitchin or surrounding Hitchin village.
- Hitchin Food Provision are providing support to families who are unable to access Universal Credits/Benefits and Free School Meals or are waiting for Universal Credits.
- If you have been furloughed, become unemployed, self-employed and not able to work or have significantly reduced hours.

What happens next?

You will receive a reply to your email within 48 hours. Once approved you will receive a supermarket e-voucher.
