

Taller than you

Find 5 things that are taller than you. Can you show where you come up to?

Make Gingerbread Men.

Here's how:

<https://www.youtube.com/watch?v=t4cGrvyOno>

What can you use for eyes? Or Buttons? How many can you make? Can you make some big and some small?

(You could just use salt dough/playdough) Don't worry if you don't have a cutter – roll shapes and press them together to make the head, body, arms and legs.

Look for things that are a box (cube) shape in your house. Make a collection and talk about the similarities and differences.

Make a collection of things that begin with the 'm' sound

Play 'find the odd one out' by adding something that doesn't belong.

Activities for Nursery

18.5.20

Play Simon Says:

Encourage careful listening and following instructions .

Here's a link if you need a reminder of the rules.

Can you swap and take turns being 'Simon'?

Listen to the story of 'The Gingerbread man' on YouTube:

<https://www.youtube.com/watch?v=U89dkGrsYZY>

Then re- tell the story to a grown up.

Draw a picture of the gingerbread man in your busy book.

Go for a listening Walk:

What sounds can you hear? Do you recognise all the sounds?

Are they loud or quiet? Are they long or short sounds?

What sounds can you make?
