

Oughton Primary and Nursery School

Sports Premium Expenditure: Report to Parents & Carers 2016/17 Review

In March 2013, the Government launched its PE and Sport funding which commenced in September 2013. **Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money.**

DfE guidance regarding using funding:

- hire specialist PE teachers
- hire qualified sports coaches to work with teachers
- provide existing staff with teaching resources to help them teach PE and sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- run sport competitions or increase pupils' participation in the School Games
- run sports activities with other schools.

In the academic Year 2016 / 2017 - The school will receive £ 8000 and £5 per pupil (part of this money received in May 2016 and the rest will be received in October).

Please note: there is no requirement to report separately on the Premium, or indeed on individual children.

Number of pupils and Sports Premium Grant (PPG) received	
Total number of pupils Year 1 to Year 6 (April 2016) Please note, this figure changes across the academic year due to mobility and changes in circumstances for families.	171 children
Amount of Sports Premium received	£8,000 plus £5 per pupil
Total amount of Sports Premium in 2 instalments May 2016 and October 2016	£8,855

Our aims for Pupils' PE and sport participation and attainment.

For all pupils to be actively engaged in high quality PE lessons across the school in order to raise their attainment in this curriculum subject following the National Curriculum. For our pupils to be actively engaged at lunchtimes and after school in sporting activities in order to raise participation.

Nature of support 2016/17

A Sports Apprentice to support the delivery of the teaching of PE across the school and provide sporting activities at lunchtimes. This should improve the quality of PE lessons with Sports Apprentice receiving training as part of the course.

Hitchin Football Club coaches providing lunchtime activities for KS 2 to raise the profile of physical activity and healthier life styles.

Hitchin Football Club coaches providing afterschool clubs for KS 1 and 2 to raise participation of children in sporting activities.

Hitchin Football Club coaches delivering teaching and support within PE lessons to raise the standard of PE provision and providing training opportunities for staff. This in turn will ensure there are high quality PE lessons taught across the school.

Purchase of sporting equipment and trophies to reward children to raise the profile of healthy sporting activities - part of Oughton's Sports Superstars.

To help fund our 'Let's get Healthy and Active ' summer focus in order to highlight healthier lifestyles within the school community.

To fund our PE co-ordinator to be out of class in order to monitor and support staff in their PE lessons.

Sustainability

In order to ensure high quality PE teaching continues; staff observe the teaching of PE by qualified coaches (Hitchin Football Club) plus they are to receive support and feedback from our PE co-ordinator. This allows them to use this knowledge in their own PE lessons.

The purchase of equipment and trophies ensures long term use.

Training for our PE co-ordinator allows up to date information and knowledge to be cascaded to other teaching staff. Training for our Sports Apprentice allows the teachers to be up to date regarding Physical Education.

Measuring the impact of Sports Premium spending

Participation - numbers of children taking part in sporting activities.

Pupil voice - find out pupil views regarding activities - lunchtime and afterschool.

Staff voice - find out staff evaluation of training and support. Staff evaluation regarding the impact of the Sports Apprentice within PE lessons.

Overview of sporting Superstars over the year and the area of achievement.

Evaluation of the 'Let's get Healthy and Active ' summer focus by staff, Parents and pupils.

Feedback from our PE co-ordinator regarding the quality of teaching in PE lessons.

Evaluation of the impact of Sports Premium spending 2016/17: April 2017

Observations and drop ins of PE lessons reflecting impact on the learning of pupils and attainment.

Drop-ins have taken place across the year groups by the PE Co-ordinator and Headteacher. These have shown good practise and positive engagement from children. Development of skills has been evident. Our Sports Apprentice has improved the learning of children through effective support within lessons. Hitchin Football Club coach has been observed delivering lessons across the key stages, improving outcomes for all pupils.

Pupil feedback regarding lunchtime activities

Pupils have been actively engaged at lunchtimes, this has had a positive impact on the learning in afternoon sessions due to a reduction in lunchtime behaviour incidents. The Midday Supervisors have stated that the children at lunchtime enjoy undertaking activities with our Sports Apprentice.

Comments from children:

"I like to play tennis at lunchtime with my friends."

"I like playing basketball."

"I enjoy playing football with Year 4 when we have matches. "

Parental feedback

Parents have given positive feedback about provision in Sport, such as:

"Happy child = happy Parent, thank you."

"It is perfect for my son who needs encouragement to do more activities."

"My child really enjoyed this. Thanks."

"We were happy that our child was having fun in a healthy active environment."

"Great idea, gets the children active in winter and helps improve fitness and skills."

Pupil club attendance

KS 1/ Early Years children involved in a club: Autumn 2016 = 67%, Spring term 64%

KS 2 children involved in a club: Autumn 2016 = 80%, Spring term 59%

Our pupils reported that they enjoyed the clubs provided. Due to the fact that we employed a Sports Apprentice, we were able to target specific groups of children to attend clubs. We ran a variety of clubs such as: Football (different ages), Change for Life, Indoor Multi-sports (KS 1 and 2), Dance Club, Yoga, Circuit Training and Indoor Athletics. Feedback such as:

"I liked this club because we developed our jumping, throwing skills and lots more."

" I enjoyed doing multi sports (Sports Apprentice) is very helpful."

"We do new things...."

"...I learned new skills."

"...helped us to be healthy. They were so fun."

Staff voice regarding training and development in PE and Sports Apprentice.

Staff have found that our Sports Apprentice has been greatly beneficial within PE lessons. He is able to take small and larger groups of pupils, focusing on key aspects. He is a good role model to the children, promoting positive ethos and values. Staff have benefited from observing Hitchin Football Coach teach PE lessons. They have commented on how they have gained new ideas to teach in various sports. Both the Coach and Sports Apprentice have increased their confidence in teaching PE.

Additional Comment: Gym Equipment - Key Stage 2 Playground

We contributed to a bid for some outdoor stationary gym equipment in order to raise the activity of children during playtimes and lunchtimes. This equipment has been well received by the children and staff. It has had a positive impact as it is in daily use and enjoyed by KS 2 children.
