

YEAR 6 HOME LEARNING

WRITING

Go to www.pobble365.com. Pick a picture that you like and create some creative writing about it. You might want to pick a picture a day and write about it or pick a picture and write an extended piece of writing. Use your writing mats to support your writing.

READING COMPREHENSION

There are a number of reading comprehension tasks in your pack to work on. Complete one text and the set of questions over this week.

DAILY READING

There is still an expectation that children will read as much as possible. This is a great opportunity to read some good books and enjoy them.

ICT

Scratch: Go online and create a game. Have fun and explore.

RE

In your pack, we sent home on Friday, was a leaflet from PHASE explaining the Easter story. Use this or an online version to create three stain glass windows (drawings or with paper) of the story.

HISTORY

We have been learning about Ancient Greeks. Follow the link to find out about Ancient Greek theatres.

<http://www.primaryhomeworkhelp.co.uk/greece/theatre.htm>

Select one idea: Design what your theatre would look like (on paper or on Minecraft) All actors wore masks during performances, design or make a mask. Create your own play at home.

Here is an overview of the learning I would like the children to be completing over the coming week. Oughton Primary School are committed to ensuring your child is still learning as much as possible and endeavour to do our absolute best to keep this happen. We will be communicating with you via email. At school, we complete Maths and English daily and would like you to do the same. The other subjects will change weekly and you can select which activities you would like to do. We recommend carrying out a daily physical activity.

SPAG

SPAG.COM

Check your login for this week's task.

SPAG SUPPORT:

Use the SPAG mats to help you.

www.bbc.co.uk/bitesize/topics/zwwp8mn (grammar)

www.bbc.co.uk/bitesize/topics/zvwwxnb (punctuation)

SCIENCE

Animal and Plants topic

- 1) Research an animal group or a plant group. What features do they have? What animals and plants are in that group?
- 2) <https://www.bbc.co.uk/teach/class-clips-video/science-ks2-the-work-of-carl-linnaeus/zhnjf4j>
Watch the link above, what did you find out? Make a poster of key facts, a PowerPoint or an information booklet.

MATHS

Maths Book

This week select an arithmetic test and work through the problems over the week.

MATHS SUPPORT:

www.bbc.co.uk/bitesize/subjects/z826n39 has many guides to help you.

<https://whiterosemaths.com/homelearning/> has a lot of video support to help.

If you want to go through a maths concept this website has activities to try.

<https://uk.ixl.com/math/year-6>

Times Tables

Complete daily, Times table rock stars, go on and try to beat your score.

PE

Joe Wicks Workouts (9am)

www.youtube.com/watch?v=d3LPrh10v-w

Super Movers workouts

<https://www.bbc.co.uk/teach/supermovers>

Create a gym routine, have fun and think of some interesting activities.
